

**SPONSORSHIP
DECK**

ROOM FOR SUCCESS

Twenty percent or more of Los Angeles City College (LACC) students are homeless. In addition to dealing with the pressure of coursework and exams, these students struggle to find shelter, warmth, and a place to sleep. In addition, they may be unable to find safe and legal access to bathrooms, showers, and laundry facilities. To assist this population of students, the Hollywood Chamber Community Foundation has launched its **Room for Success Pilot Program**.

PROGRAM DESCRIPTION

Launching in Spring 2021, this program is designed to empower the lives of local college students experiencing homelessness by providing them with a safe place to live and connecting them with local partners that provide support services and resources. We are currently accepting applications from Hollywood college students.

SPONSORSHIP LEVELS

Your sponsorship provides a local college student experiencing homelessness housing in their own pod at a local pod share. A pod is a hand built, high end bunk bed complete with their own flat screen tv, personal outlets and night light. The space provides each student a safe, warm place to sleep, relax and store their belongings. This co-living concept is similar to a dorm space and gives students the opportunity to make new friends, study partners or potential future roommates.

Intellect \$12,000:

Provides a student housing for one year. Intellect sponsors receive their company logo and sponsorship level recognition on all program marketing collateral and press release for up to two years the program is running. The sponsor will also have the opportunity to meet their student and receive regular updates on their progress throughout their sponsored schooling.

Scholar \$9,000:

Provides a student housing for 9 months. Scholar sponsors receive their company logo and sponsorship level recognition on all program marketing collateral and press release for up to 1 year that the program is running. The sponsor will also have the opportunity to meet their student and receive regular updates on their progress during the time of sponsorship.

Academic \$6,000:

Provides a student housing for 6 months. Academic sponsors receive their company logo and sponsorship level recognition on all program marketing collateral and press release for up to 6 year that the program is running. The sponsor will also have the opportunity to meet their student and receive regular updates on their progress during the time of sponsorship.

Honor Roll \$3,000:

Provides a student housing for 3 months. Honor Roll sponsors receive their company logo and sponsorship level recognition on all program marketing collateral and press release for up to 3 year that the program is running. The sponsor will also have the opportunity to meet their student and receive regular updates on their progress during the time of sponsorship.

Any donation is greatly appreciated and will help provide safe housing for college students experiencing homelessness. Visit www.hollywoodfoundation.org/room-for-success/ to make a donation today.
